Ola I Ka Hana

WE'LL HELP YOU:

- Build skills to obtain a High School Equivalency or GED
- Search for employment
- Register for and locate financial aid for secondary education.
- Live a healthier and more positive lifestyle

Goodwill Hawaii's Ola I Ka Hana program equips youths with the skills to achieve their academic, employment and healthy living goals. In a non-traditional classroom setting, youth will acquire the skills necessary to prepare themselves for

a successful future. Our individual and group sessions maximize and customize the learning process to each individual learning style. Community service projects provide youth with hands-on experience that develop decision making skills to help them successfully transition into adulthood. Services are individualized based on the youth and their family input. Frequency of services is determined by individual needs.
